29 This is a general description only. The vast majority of details are not now known by
30 claimants, but rather, only known by those against whom this claim is made. Therefore, claimants
31 expressly reserve the right to amend this claim, or to amend the pleadings during the course of
32 litigation when information is learned.

1 On or about the evening of October 13, 2012, Alfonso Limon, Jr., was shot and killed by
2 CITY OF OXNARD police officers at the general location of Cooper and Garfield Street, in the City
3 of Oxnard. On said evening, Alfonso Limon, Jr., and his brother Gerardo Limon, jogged at Pacific
4 High School. After their jog, they decided to walk home to their house on Roosevelt Street. At or
5 about the same time, the CITY OF OXNARD police officers had multiple black-and-whites units in
6 the area making a stop of a vehicle they believed had armed suspects. The suspects were ordered from
7 the vehicle, but instead, ran from the police officers with at least one suspect running toward the
8 intersection of Cooper and Garfield Streets, as Alfonso Limon, Jr., and his brother Gerardo Limon
9 continued to walk home. The CITY OF OXNARD police officers, without any warning and without
10 properly identifying the suspect(s), negligently and recklessly opened fire at Alfonso Limon, Jr.,
11 claiming they mistook him for one of the suspects. The CITY OF OXNARD police officers killed
12 Alfonso Limon, Jr.; Gerardo Limon ran from the location across the street with bullets barely missing
13 him. Prior to being killed, Alfonso Limon, Jr., according to witnesses, while facing multiple CITY
14 OF OXNARD officers in full view, put his hands up and yelled multiple times "don't shoot, don't
15 shoot". Despite Alfonso Limon, Jr.'s pleas, CITY OF OXNARD police officers shot him and he fell
16 to the ground. While on the ground and still alive, multiple CITY OF OXNARD police officers
17 approached him and continued to shoot at him and killed him. Only after killing Mr. Limon, did said
18 officers realize that the actual suspect was behind a car at the corner parking lot of Cooper and
19 Garfield Streets some sixty feet away from Alfonso Limon, Jr. Said suspect was not wearing similar
20 clothes, nor did he have the same appearance or build as Alfonso Limon, Jr.

21 After it was clear that Alfonso Limon, Jr. was not a suspect and was killed at the hands of the
22 CITY OF OXNARD police department, its officers, commanders and/or supervisors failed to inform
23 the family that their son and brother was killed. In fact, the family, who identified themselves to
24

1 officers at the scene were not allowed to see their son and brother; and at no time did they update the
2 family of his condition. All through the night family members called the commanders at the CITY
3 OF OXNARD police department requesting any information regarding their son and were only told
4 that no information could be released, which caused the family to drive to different hospitals in search
5 of their son and brother throughout the night and through the next day. Only two (2) days later did
6 representatives from the CITY OF OXNARD police department inform the family that their son and
7 brother was dead.
8

9 On said date, October 13, 2012, the CITY OF OXNARD police department was in violation
10 of its policies and procedures which resulted in the death of Alfonso Limon, Jr. The CITY OF
11 OXNARD police officers, who shot at Alfonso Limon, Jr., and his brother Gerardo Limon, did not
12 have any vantage point of the suspects and/or of the situation; and had no idea who was or was not a
13 suspect. In fact, as stated by Oxnard Chief of Police Jeri Williams in her October 18, 2012, press
14 release, "During this rapidly developing foot pursuit ... some of the officers believed that Alfonso
15 Limon was one of the suspects. As a result, some of the officers fired their weapons at him." The
16 CITY OF OXNARD police officers negligently and recklessly fired their weapons into a crowded
17 street and neighborhood without regard for the safety and security of the community and specifically
18 Alfonso and Gerardo Limon, and intended to shoot Alfonso Limon, Jr. Additionally, the manner in
19 which the CITY OF OXNARD police officers conducted the vehicular stop of the suspect(s) was
20 negligent, reckless and endangered the community. Among other things, the tactics used that night
21 were negligent and reckless, causing a chaotic scene whereby multiple CITY OF OXNARD police
22 officers open fired on Alfonso and Gerardo Limon, mistaking Alfonso Limon, Jr. for the suspect.
23
24
25

26 Furthermore, the CITY OF OXNARD police officers at the scene were negligently and poorly
27 trained, were negligently and poorly hired, were negligently and poorly supervised (both at the scene
28

1 and before), and were negligently retained. Moreover, the CITY OF OXNARD supervisors at the
2 scene negligently handled the stop and were negligent in their control and direction of the tactics and
3 the officers at the scene. Additionally, the CITY OF OXNARD and the CITY OF OXNARD police
4 department, and all its employees and sworn officers, were negligent in the hiring, training, selection,
5 retention, and disciplining of the officers involved in the shooting, as well as the officers who trained
6 the involved officers throughout their careers, from the academy to the date in question. Even Police
7 Chief Jeri Williams has acknowledged that, "The suspects, keep in mind, were in control of the
8 situation..."

9
10 The CITY OF OXNARD police officers, who were at the scene, had a history of bad traffic
11 stops and improper uses of force, and improperly discharging of their firearms, and were never
12 disciplined, or were not disciplined properly, and were never trained or re-trained properly, and were
13 never removed from service. The above also contributed to the death of Alfonso Limon, Jr.
14

15 More importantly, within the CITY OF OXNARD police department, there was also a
16 custom, policy and practice, whether express or implied, oral or written, that allowed all of the
17 conduct outlined in this claim and that allowed this shooting to occur, creating liability under the laws
18 of the State of California, the Constitution of the State of California, the laws of the United States,
19 and the United States Constitution.
20

21 Again, this is a general description only. The vast majority of details are not now known by
22 claimants, but rather, only known by those against whom this claim is made. Therefore, claimants
23 expressly reserve the right to amend this claim, or to amend the pleadings during the course of
24 litigation when information is learned. Claimants will pursue all state law theories allowed by the
25 government code, as well as all constitutional theories under the California and United States
26 Constitutions, as well as all theories allowed under federal law.
27
28

1 **910(d): A general description of the indebtedness, obligation, injury, damage or loss**
2 **incurred so far as it may be known at the time of presentation of the claim**

3 Claimants have lost the love, comfort, care and society the relationship of Alfonso Limon, Jr., would
4 have afforded. Claimants have lost the financial support of Alfonso Limon, Jr., as well as other
5 special and general damages, including funeral and burial expenses. Gerardo Limon's claim is based
6 upon the assault by the CITY of OXNARD police officers and for witnessing the death of his brother,
7 Alfonso Limon, Jr. The totality of the damages suffered is not now known but said damages exceed
8 the jurisdictional limits of the Superior Court. This is NOT a civil limited case.
9

10 **910(e): The name or names of the public employee or employees causing the injury,**
11 **damage, or loss, if known.**
12

13 Claimants do not know the names of the specific CITY OF OXNARD police officers and/or
14 individuals involved or implicated in this claim. This claim will be brought against the CITY OF
15 OXNARD, OXNARD POLICE DEPARTMENT, the CHIEF OF POLICE JERI WILLIAMS and all
16 of the officers on the scene and all of their supervisors, trainers, and hirers, as well as everyone
17 responsible for their initial hiring, training, retaining, being allowed to carry a firearm, and being
18 allowed at the scene. This claim is also brought against those creating policy, monitoring policy,
19 enforcing policy, and training on policy.
